Dear Prospective Sponsor:

Our mission at Leading Edge Gymnastics Academy is to provide a gymnastics training facility that can accommodate athletes from tumbling toddlers to the highest level of gymnastics. We strive to provide an environment that is fun, structured, and coached with Christian values and mentorship. Through gymnastics we believe we can teach teamwork, discipline, and physical fitness that has benefits far beyond the doors of our gym - but we need your help!

We train all year to compete with other gymnastic teams throughout Georgia and the Southeast. Sponsorships help offset the cost of equipment, as well as, uniforms and competition expenses. Your sponsorship will go a long way to directly benefit the LEGA athletes who are currently enrolled and future athletes for years to come.

Donations also benefit our gymnastics academy by ensuring that the cost of classes and tuition remain low, and by allowing us to fund classes for students that need financial assistance to participate.

For businesses or self-employed individuals, sponsorships can be considered tax deductible advertising for your company (consult your accountant) as we use our website to advertise your business throughout the season at [www.legawinder.com](http://www.legawinder.com). We will also display sponsorship banners this year - each sponsor will be listed according to their level on a banner and hung in our gym. Please see the specific levels of donations on the following page for the additional ways we like to say "THANK YOU" to our sponsors.

For further information, you are welcome to give us a call (678.975.7469) visit our website ([www.legawinder.com](http://www.legawinder.com)), send us an e-mail ([frontdesk@legawinder.com](mailto:frontdesk@legawinder.com)), or come and visit our facility to see sponsorship dollars in actions!

Sincerely,
